

CHRISTIAN AID CHRISTMAS APPEAL 2020

This year it has been difficult to raise funds for Christian Aid and yet there is a crying need for our support across the world.

This Christmas we're focusing on communities battling climate change in Ethiopia. Families are losing water, food, homes and livelihoods. Every day they walk further, they dig deeper, they work harder to simply survive. It's unrelenting.

There's an excellent case study of Kawite (who's pictured on the posters) whose village has secured a new water source which has helped dramatically the lives of Kawite and her family.

This Christmas we're working together with all Christian Aid supporters across Dorset and Somerset to support other villages like Kawite's on the frontline of climate change and pandemic.

There's lots of creative ideas on the Christian Aid website about how we might raise funds for the appeal

Or you may want to donate individually in which case cheques can be made out to Christian Aid 2020 Christmas appeal to our local treasurer, **Colin Tizzard at 142 Poundbury Road, Dorchester DT1 2PN** or **directly to Christian Aid** at www.caid.org.uk/hope or via phone on 020 7523 2269

We know it's been a difficult year for so many but if you are able to give:

LET'S HELP MAKE IT A BUMPER CHRISTMAS APPEAL THIS YEAR!
