

## **Christian Aid – Dorchester and District Recipe Book**

Have you a favourite recipe that you'd love to share? Then this is your chance! We are planning to produce a book with recipes from across the Dorchester churches to sell to raise urgently needed funds for Christian Aid's activities in the poorest nations of the world.

We're looking for recipes covering starters, main meal dishes, vegetarian or vegan delights, desserts, preserves and non-alcoholic drinks. It could be your own or passed down through generations across your family. We'd love to receive it. It could be a seasonal dish, one that uses local Dorset ingredients or an all the year round classic.

Please send us the following information:

- A sentence or two about yourself and the church or religious group that you go to.
- Say why you've chosen this dish
- Please give information about the cooking time (fan and non-fan ovens) and approximate preparation time
- Provide a colour photo of the finished dish if possible.

Then send the recipe either by email to Tony Boyden ([anthony\\_boyden@talktalk.net](mailto:anthony_boyden@talktalk.net)) or Tony McDougal ([tonymcdougal@icloud.com](mailto:tonymcdougal@icloud.com))

Or to: **Tony Boyden, 94 Mellstock Avenue, Dorchester. DT1 2BH** or **Tony McDougal, 15 Treves Road, Dorchester, Dorset. DT1 2HD.**

Closing date for recipes: **Saturday, January 16<sup>th</sup> 2021**
