Subject: Council of Stewards

Dear All,

John H, John Y, Peter Clark, Linda and Wendy met this morning, and decided that we do not need to have next Tuesday evening's CoS.

John H will circulate a note about the discussions with Hope, Radipole and Bridport, which we had at Radipole on the 20th.

Di circulated two policy documents, on IT and Whistleblowing. Please let her know if you are happy to accept these.

The steward at private prayer next Sunday (Janice) will announce a 2 minute silence at 11am.

Shoe boxes should be brought to church by Sunday, 15th. They can be put in the foyer whenever we are open for private prayer.

The Advent candle will be lit at private prayer on the 29th November and the 2nd December.

Usually the collections (other than envelopes) at the Carol Service and on Christmas Day are divided between Action for Children and Christian Aid. Are you happy for that to happen again this year, and also add any donations at the Christingle services?

Di has got door stewards for the Sundays, 20th and 27th December. Linda says that the Christingle team will provide door stewards for those services. That is in addition to Diana, Penny and Gillian as vestry, 2nd and foyer stewards at the Christingle services. However, Di has had no volunteers to be door stewards at Midnight Communion or on Christmas Day. Any suggestions???

We can look again, if necessary, at the Christmas services at our next meeting on the 8th December.

Best wishes,

John

Hi All  
Yes happy to accept the 2 documents.  
Split of monies over Christmas will be as usual, unless I hear differently.  
We have never had donations at a Christingle before. There is always a first.  
Best wishes  
Colin

Dear John, Di and All

Thank you for all this info. I am happy to accept the two documents on IT and Whistleblowing. I am also happy about the proposed division of collections between Action for Children and Christian Aid.

Best wishes in the forthcoming lockdown.  
Brian
