

**Have you or your loved ones had your vaccine?
To show your appreciation would you like to
help families who have lost everything as
they face the threat of this deadly virus.**

- Refugees and families who have fled violence and hunger in countries suffering conflict need our help. Many live in crowded refugee and displacement camps with little access to medical care, clean water or enough food, making them extremely vulnerable to COVID.
- This is the reality for people living in tents and makeshift shelters without running water in places like Yemen, Syria, Somalia, South Sudan, DR Congo, Afghanistan and the Rohingya refugee camps in Bangladesh.

We need your help to:

- Provide families with clean water, soap and information on keeping themselves safe;
- Provide frontline medical and aid workers with equipment and supplies including adequate supplies of vaccine.
- Ensure families get enough food to prevent malnutrition, particularly amongst children.

Please donate now through:

<https://www.christianaid.org.uk/give/ways-donate/give-thanks-your-coronavirus-vaccine>

Many thanks

Prayer

God of hope, Sustainer of all life.

**We give you thanks for the coronavirus vaccines,
for the skill and wisdom of scientists, NHS staff and key workers.**

**By the power of your Spirit, may we overflow with hope
and joy as we see our friends, families and neighbours protected.**

**God of Justice, Protector of the vulnerable,
may we be your well-washed hands, and willing feet.**

**Move us to give and act,
to challenge the injustices that anger You.**

May we seek to protect all your children. Amen
