

UCD: Notices for Sunday 17th July 2022

Tea Pot Time

The next Afternoon Tea and Favourite Hymns is on Sunday, 24th July, in the Coffee Lounge at 3.30pm for 4pm, until 5.30pm.

New Web Site Is On The Way

After several months' development and consultation, we are hoping that the new design for the UCD web site will be launched within the next week or so.

Please note that, for technical reasons, there will be a slight delay between the new site going 'live' and the Members' Resource area being available. We hope this will not be too much of an inconvenience, and will confirm the full working of the site as soon as we can.

Many thanks to all those who contributed feedback to the design and development process – everyone's thoughts really have been appreciated. Updates to the site can always be made, of course, so if you have any thoughts – please let us know!

Kevin and Susy Rogers

Building Works Continue

The works to the spire are to commence on 1st August with scaffolding being erected in the tower. The stairs from the church gallery should remain useable in the case of an emergency.

The discoloured patches and damage to the ceiling / walls in the church are to be painted, from 8th August taking about two weeks.

The Wednesday service will not be affected.
